Description

Banqueting Cart includes 20 x 1/1 65mm trays

39" x 31" x 66" / 99cm x 79cm x 168cm Power 1500 Watts 1.5 kw 3 pin plug

It comes with 4 adjustable shelves.

A Banqueting Cart provides the user with the ability to prepare and plate meals in advance of serving time. This is aided by an evenly applied heat source controlled by a thermostat. The Banqueting Cart preserves the product's moisture and maintains food quality for several hours. NB it does not cook food.
