Description

Marvel's official children's Iron Man fancy dress costume by Rubies.

Every Super Hero needs a suit and as a founding member of the Mighty Avengers, Iron Man is the finest product from Stark Industries and perfectly replicated by Rubies costumes. Use your super powered suit to celebrate parties with your friends, trick or treat at Halloween or fight against evil forces to save the world. Tony Stark may have originally created a wondrous suit of armour but Rubies has recreated it in fine detail for you to wear with a classic comic book style jumpsuit, attached shoe covers and mask.
